Chief, Developments Branch, DPD-DD/P

18 May 1959

Special Assistant to the Director, PIC

ITEK Proposal

1. The attached proposal from ITEK is the one which they made for the Air Force (SAC). We received two copies from ITEK, one which we will keep here on file; the other is for your files.

2. This proposal is for the equipment discussed in your telephone conversation with Mr. Lundahl on 18 May. Two mensuration viewers will be purchased jointly by CIA and Army under this proposal.
